### CAN WE GET A WHOOP WHOOP?

Our new Principal for 2019 and beyond is ... Zara McIndoe. The Board of Trustees is thrilled to have selected Zara as our school's next Principal. We know she has the ability, passion and energy to guide our school in its future learning and growing journey. Congratulations Zara!! Well done!!

### VANDALISM AT OUR SCHOOL

We need our community's help. Our school - your children's school - has suffered badly over the last two weeks from very expensive and wanton vandalism. We have not, at this stage, been able to positively identify those responsible but we are working with the Police on this.

Our school and its resources are for our community - that's all of us - and we need to be protective of that. If you are on site any time out of regular school hours and you see something amiss, or become suspicious of some activity please do not hesitate to call the Police. If you have your phone and can take photos of any incident, if you can clearly describe those behaving suspiciously, this will help us in ultimately bringing offenders to justice and protecting our school.
