### Overview:

This is the Second year of the Girls only Winter 10s Module hosted by the Bay of Plenty Rugby Union, at Blake Park Mount Maunganui. The purpose of this module is to provide a meaningful programme allowing junior and intermediate females (7-13 yrs.) to participate in tackle rugby with other girls. If we support them from a young age and offer them the best experience, we will grow our schools, clubs and the game for the future.

Week 1 and 2 will be development nights where BOPRU will work with rugby activators, Current HP players and team coaches to provide coaching resources to run skill based activities for all participants. From week 3-6 the girls will get to play rugby 10s under their school banner using the skills developed over weeks 1&2

- 2x Skill development nights with BOP Rugby Activators and team coaches
- 10 minute halves, 2 minute half time
- 2 x games per night
- Individuals (i.e. Those whose schools have not entered) are able to register as an individual and will be placed into a team
- #Wahineround every round

High Performance Centre, 52 Miro Street, Mount Maunganui
